INCIDENTS OF NOTE
February 1-28, 2020

February 13, 2021: Hit and Run Accident

North Gate: At 9:04 p.m., two residents were walking south from the North gate on the sidewalk. A white vehicle with a sunroof was driving south from the North gate exit, left the roadway, and struck one of the pedestrians. The vehicle/driver fled the scene. CHP responded for the report. Video of the incident did not provide a clear photo of the vehicle for make/model/type. The LPR cameras did not capture a license plate, as the vehicle was out of range (third lane). An Informational Bulletin was released.

February 18, 2021: Vandalisms

Stonehouse Park: Obscene pictures were drawn into fresh concrete. Investigation pending identification of possible suspect. Damage estimated cost: \$4000.

7100 block Murieta Parkway: RMA Radar Trailer was vandalized. It appears an alcoholic beverage container was thrown at the trailer, and the broke glass used to scratch the lens of the radar portal window.

February 19, 2021: Auto Burglary

Murieta Inn and Spa – Patrol located a vehicle with a broken window and items misplaced in the vehicle. The business was attempting to locate the owner of the vehicle to refer them to SSD for a report.

February 20, 2021: Golf Cart theft

Murieta Inn and Spa: A grey golf cart with a black top was stolen from the front of the hotel. The victim was visiting from out of the area. The front of the golf cart has “Belmont Training” inscribed. SSD responded for the report. Investigation continuing.

February 19-20, 2021: Calero Reservoir and Chesbro Reservoir vandalism:

On February 19, 2021 at 11:02 p.m., Patrol found a portable toilet in Calero Reservoir. Water Department personnel responded and removed the toilet. A garbage can was also located in the Reservoir. Patrol also found an orange rope device in Chesbro Reservoir. All items were removed from the Reservoirs. The toilet had been serviced earlier in the day, so minimal waste would have been leaked. Informational Bulletin was released regarding the incident.

February 25, 2021: Paraglider Trespassing

On February 25, 2021 at 11:55 a.m. a paraglider was reported in an empty field, north of OE3, as a trespasser on private property. The North gate officer observed the paraglider land in the lawn area next to the RMA building. SSD responded and the subject was given a written trespass warning.

Patrol Coverage:

All shifts were covered during the month of February 2021.

I made my way to Bel Air Plaza and made visual contact with a golf cart carrying 3 juvenile females. They saw me and attempted to speed through the Highway 16 intersection. I made contact with the North Gate and gave instructions to leave all gates down so that I could catch up and make contact. I made contact with the females and instructed them to park at the North Gate parking area. All 3 females stated that they did not know their addresses. I asked the driver of the golf cart to give her Mother's name and telephone number, which I was given her Mother's proper name, but a telephone number for someone else. In calling that person, it was clear that I was speaking with another juvenile female, who hung up on me when I asked to verify her resident status. The key for the golf cart was taken from the juvenile females as the cart belonged to a different resident. Contact was made with that resident, and instructions were given for retrieving his cart.
