INCIDENTS OF NOTE

November 1-21

On Friday, November 11, 2022, at approximately 2245 hours, CSD patrol was on routine patrol.

When the security officer observed a gathering in the Plaza Area. The officer believed it was a gathering of juveniles and parked his vehicle and walked over to the gathering. Upon his arrival, he discovered several adults celebrating the grand opening of a day spa. The officer chatted with the owner's father for approximately 10 minutes and proceeded back to his awaiting vehicle. As the officer approached his vehicle, he observed that an unknown person had driven off with his security vehicle. The suspect had relocated the vehicle to another parking lot approximately 50 yards away. The officer approached the female suspect as she exited the vehicle and advised her, she had no right to take the vehicle. The female scolded the officer for leaving his vehicle running with the keys inside. The officer asked for her ID, and she stated, "you're not a cop" and was driven away in a waiting vehicle. The officer contacted the CHP with the license plate of the suspect's vehicle for a report.
