MEMORANDUM

Date: October 29, 2021
To: Security Committee
From: Tom Hennig, General Manager
Subject: Continuation of Holding District Meetings via Teleconference

BACKGROUND:

During the early stages of the COVID-19 pandemic, the Board approved holding District meetings via teleconference. Since that date, all the District Committee meetings and most of the monthly Board meetings have been held using Zoom as a teleconference media. Holding the meetings via teleconference was necessary to address the potential spread of COVID-19. With this action the Communications & Technology Committee finds that it has reconsidered the state of the COVID-19 emergency, that meeting in person continues to present imminent risks to the health or safety of attendees, and the Committee meeting should be held by teleconference as authorized by subdivision (e)(1)(C) of section 54943 of the Government Code

DISCUSSION:

In light of the Governor's declaration that a state of emergency exists due to the incidence and spread of the novel coronavirus, and the pandemic caused by the resulting disease COVID-19, the Committee should consider whether meeting in person would present imminent risks to the health or safety of meeting attendees.

The Centers for Disease Control indicates that COVID-19 is a highly transmissible virus that is spread when an infected person breathes out droplets and very small particles that contain the virus, and such droplets and particles are breathed in by other people.¹ Since June of 2021, a more infectious variant of the virus, known as the Delta Variant, has emerged and now accounts for the vast majority of COVID-19 cases.

Although effective vaccines have been approved by the U.S. Food and Drug Administration for emergency use, vaccination rates are slow and have not yet reached a point to significantly control community transmission. As of October 29, 2021, only 72.9% of Californians who are eligible to be vaccinated are fully vaccinated.²

Those who become infected with COVID-19 are at risk of serious illness and death. As of October 1, 2021, over 743,650 Americans have died from the virus.³ Many more have been hospitalized with serious illness. Currently, in Sacramento County, 198 people are hospitalized with COVID-19.

Conducting meetings by teleconference would directly reduce the risk of transmission among meeting attendees, including members of the public and agency staff, which has the ancillary

effect of reducing risk of serious illness and death as well as reducing community spread of the virus.

If the authorization to meet by teleconference is not approved by a majority vote, then the meeting will adjourn after this item and the remaining agenda items will be rescheduled to a future in-person meeting.

RECOMMENDATION:

Consider finding by a majority vote under Gov. Code § 54953(e)(3) that a result of the continuing COVID-19 emergency: (i) the Committee has reconsidered the circumstances of the state of emergency; (ii) renew prior findings that meeting in person would continue to present imminent risks to the health or safety of attendees; and (iii) the authorization for meetings to be held by teleconference pursuant to Gov. Code, § 54953, subd. (e)(1)(C) is renewed.

MEMORANDUM

Date: 11-04-2021
To: Security Committee
From: Kelly Benitez, Security Supervisor
Subject: Security Update Report for the Month of October

OPERATIONS UPDATES

The Department is currently working on the following projects:

- CSD has one Gate officer in the HR process and another pending final interview with GM. Both are local applicants to fill our two vacancies.
- Patrol non-covered shifts: 168 YTD hours total. Reason: last minute sick call.
- ABDi Software Upgrade Project: ABDi will be updated to a newer gate access system – Continental. Contracts have been executed and deposit checks are on their way to the companies who will complete the project. Estimated time for implementation: Dec 2021.
- New Patrol vehicle requested bids for pickup trucks. (Funds were approved for this purchase in June, 2021)

Rancho Murieta Association activity:

We continue to work with the RMA Leadership on a regular basis. Our focus is to improve our level of service and have positive contacts with residents. The following list is the current focus of our meetings.

- General non-arch rules enforcement (see Violation Summary Report): continued to attend RMA Compliance meetings.
- Stop Sign enforcement – enforcement missions conducted each week; other violations issued during regular patrol.
- Speed enforcement –enforcement missions conducted each week during the daytime hours only; other violations issued during regular patrol.
- Cameras at Lakes: RMA Maintenance will install poles for camera setup. Watchdog Security will install the cameras and is awaiting power/internet to the Lake areas. Training in progress for all security staff.
- Security Supervisor had a direct meeting with the GM to establish and update continual rules for gate entry regarding construction workers at Riverview.
- Security Supervisor on calendar to go out with Chris at RMA for parking citation training.

Murieta Village activity:

- Regular patrol activity

Rancho Murieta Commercial Owners Association activity:

- Regular patrol activity

INCIDENTS OF NOTE OCTOBER 1-31, 2021

October 10, 2021: Loose Dog Attack

Security Officer responded to a call for service of two loose dogs on Lago Drive. Investigation revealed that the German Shepard chased a neighbor who had to escape attack by jumping on to a school bus. Security Officer arrived on scene and was also attacked by the German Shepard; however, the officer used his pepper spray which repelled the dog. The dogs fled home and the owner and animal control were notified. Citation issued to homeowner and was RMA notified of the incident. There were no injuries from the attacks.

October 12, 2021: Disturbing the Peace.

Security responded to Bel Air parking lot and met with a female resident from Wilton. The resident stated that she was waiting in her vehicle for her on-line grocery order to be completed when an unknown male approached her vehicle and began to yell at her. The female dialed 911 and drove to the Northgate for safety. Security arrived on scene and was unable to locate the suspect or obtain any video footage of the incident.

October 21, 2021: Burglary Retreats Trail

Between the hours of 1730-2300 hours the resident secured their residence before departing for the evening. Upon return the victims discovered that their home was burglarized. Suspect(s) broke glass window to sliding glass door and entered the location and removed high valued items. The suspect(s) fled area with victim's property. SSD responded and completed a 459 report and recovered prints from the scene. **Note:** No witnesses or video camera footage were recovered.

October 26, 2021: Vender in back Area

Security Officer responded to back area behind bass lake. Upon arrival Security Officer discovered a vendor from Earth Guard Pest Services who was stuck in the mud. The vendor stated that after his job was completed, he was just exploring the lake and back roads. The vendor was told that he must depart the location after doing his legitimate business. The vendor stated that he has been hanging out after his jobs for 30 years and nobody has ever confronted him. RMA was notified.
