INCIDENTS OF NOTE
December 1-30, 2021

December 3, 2021: Traffic accident Riverview Cart Path:

CSD security officer responded to the scene of a traffic accident between two golf carts. One party advised the CSD officer that he suspected the other party of being under the influence of alcohol. CSD security officer advised both parties that the CHP was dispatched, and they should wait for their arrival. The suspected DUI driver refused to stay and left the area with friends, leaving behind his golf cart which was disabled in the accident. CHP arrived and investigated the incident and conducted a follow-up to the suspects residence.

December 7, 2021: Vandalism in Bel Air bathroom.

An employee conducted a routine restroom inspection and discovered tagging marks on the restroom doors with a paint pen. SSD was notified and a report was generated, security cameras observed a couple of juveniles enter the rest room shortly before the employee's inspection. **Note:** Tagging marks are identical to new vandalism on 01/05/2022 on yellow bridge, 6B lift station and wooden bridge. Working with SSD/RMA to help ID the suspects.

December 17, 2021 1000 hours: Battery Investigation Jackson Rd and Parkway RM.

CSD Security responded to a possible traffic accident. Upon the officer's arrival he discovered two citizens were detained at gunpoint by an off-duty SSD and retired SF police officer. The officers provided identification to our responding security officer and stated the two civilians had been involved in a battery scenario and were detained. SSD arrived on scene and conducted their investigation and completed a report.
