#### **RESOLUTION NO. R2019-04**

### A RESOLUTION OF THE BOARD OF DIRECTORS OF THE RANCHO MURIETA COMMUNITY SERVICES DISTRICT APPROVING THE BUDGET FOR FISCAL YEAR 2019-20

WHEREAS, District departments have submitted estimates of budget requirements for Fiscal Year 2019-20 and those estimates have been reviewed by the General Manager and Finance Committee; and

WHEREAS, the General Manager has submitted a proposed budget with the tabulations of the estimates together with proposed revisions to the Board of Directors; and

WHEREAS, the Board of Directors has reviewed and considered the proposed budget for Fiscal Year 2019-20; and

WHEREAS, a public presentation and hearing were conducted for the budget for the Fiscal Year 2019-20 on May 15, 2019 at 6:00 p.m. in the Board Room at 15160 Jackson Road, Rancho Murieta, California.

NOW, THEREFORE, BE IT RESOLVED AND ORDERED that (1) the proposed budget for Fiscal Year 2019-20, as submitted by the District General Manager and as reviewed by the Board of Directors is a proper financial program for the budget period and constitutes the budget for 2019-20; and (2) the District's 2019-20 Budget is hereby adopted in the form as presented at this meeting and ordered filed with the County Auditor of Sacramento County in accordance with Sections 53901 and 61110 of the Government Code.

**INTRODUCED** by the Board of Directors on the 15<sup>th</sup> day of May 2019.

PASSED AND ADOPTED by the Board of Directors of the Rancho Murieta Community Services District, Sacramento County, California, at a meeting held on the 19th day of June 2019, by the following roll call vote:

AYES: NOES: Clark, Jenco, Butler, Maybee, Merchant

ABSENT:

None

None

ABSTAIN:

Les Clark, President of the Board

Rancho Murieta Community Services District

[SEAL]

Attest:

Suzanne Lindenfeld, District Secretary

## **Rancho Murieta Community Services District**

### Mission Statement

The mission of Rancho Murieta Community Services District is to take a leadership role in responding to the needs of the residents. The District will deliver superior community services efficiently and professionally at a reasonable cost while responding to and sustaining the enhanced quality of life the community desires.

### **Purpose**

The Rancho Murieta Community Services District (District) was formed in 1982 by State Government Code 61000 to provide essential services in Rancho Murieta. The District provides the following services:

- Security
- Water supply collection, treatment, and distribution
- Wastewater collection, treatment, and reuse
- Storm drainage collection and disposal
- Solid waste collection

The District encompasses 3,500 acres, five and a half square miles. Land uses included in the approved master plan call for residential development on 1,981 acres of single-family residences, townhouses, apartments, and mobile homes for a total of 5,189 units. The District currently maintains over \$56,000,000 in plant, property, and equipment assets.

### Population

Highlights from the 2010 Census demographic profiles show total population in Rancho Murieta at 5,488, with the median age being 50.8 years. The average household size is 2.39 persons per household.

#### Latent Powers

In June of 1982, after local registered voters petitioned the County and public hearings were held, the voters approved the formation of the Rancho Murieta Community Services District and elected five directors. The election resulted in voter approval for the District to provide:

Police protection/security services, road construction and maintenance, landscape maintenance, drainage construction and maintenance, public recreation, and street lighting.

Subsequently, the voters authorized the District to provide all municipal services authorized in the California Government Code, as well as some special services authorized by the legislature. Those services approved by the voters of Rancho Murieta include:

Fire protection, ambulance, libraries, mosquito abatement, airports, garbage or refuse, transportation services, water and sewer, conversion of existing overhead electric and communication facilities to underground locations, construction improvements of bridges, culverts, curbs, gutters, drains and works incidental to road construction and maintenance.

Later special legislation expanded the District's latent powers to include:

Television and television related services, burglar and fire alarm facilities, issuance of revenue bonds, enforcement of CC&R's (Covenants, Conditions, and Restrictions), hydroelectric power generating facilities and transmission lines.

### Security

Two of the most important reasons for living in Rancho Murieta are the privacy and security. Residents enjoy 24-hour patrol 7 days a week. Entrances into the private residential areas are also staffed 24 hours a day and have automated access lanes for residents with barcodes on their vehicles.

### Water Source and Storage

The source of water for all uses is the Cosumnes River plus some direct rainfall into reservoir watersheds. State water rights permit diversion for municipal usage only during winter and spring months. Raw water is diverted from the river at Granlees Dam and pumped into reservoirs Calero, Chesbro, and Clementia. When full, these reservoirs have the capacity to supply all municipal needs at full build-out, with reasonable conservation practices, for at least two years.

#### Water Treatment and Distribution

Raw water, primarily from reservoirs Calero and Chesbro, is treated to potable standards at a treatment plant located at the north end of Clementia reservoir.

### Wastewater Collection, Storage, and Reuse

Imposed at the formation of Rancho Murieta, state regulations prohibit any discharge of wastewater into the Cosumnes River. Regulations require treated wastewater to be used for irrigation of golf courses. In the future, as the community grows, the District has approved the use of recycled water for residential irrigation in areas of new development where the District determines it is reasonable and economically feasible.

When needed for irrigation, the stored, partially treated wastewater is processed through a state-of-the-art tertiary system. The golf courses use this treated effluent to supplement and/or replace raw river water and to reduce wastewater reservoir levels.

### Storm Drainage

Storm water and irrigation runoff is collected in the drainage system throughout the community. A major component of Rancho Murieta's storm drainage system is the extensive amount of natural swales, streams, and tributaries. Runoff is filtered through detention ponds prior to being returned to the Cosumnes River. In addition, the District maintains levees that protect the low-lying areas from flooding.

#### Solid Waste

In 2005 the District added Solid Waste Collection and Disposal to the services it provides for the community. The District contracts with California Waste Recovery Systems for the provisions of solid waste collection and disposal services to residents of Rancho Murieta.

#### Governance

The affairs of the District are directed by a five member Board of Directors elected at large by the registered voters residing within the District. The board members serve four-year staggered terms. The District board is responsible, among other things, for passing ordinances, adopting the budget, appointing committees, and hiring the District's general manager. The District's general manager is responsible for carrying out the policies and ordinances of the District board, for overseeing the day-to-day operations of the District, and for appointing the heads of the various District departments.

All business of the District is conducted at regular, monthly meetings of the Board. These regular meetings are held the third Wednesday of every month at the District Office located at 15160 Jackson Road with the public session starting at 5:00 p.m. All meetings are open to the public.

### Long Term Financial Planning

The District currently maintains over \$56,000,000 in plant, property, and equipment assets. The District's Reserve Policy 2012-07 is a financial policy guided by sound accounting principles of public fund management. The policy establishes several reserve funds to minimize adverse annual budgetary impacts from anticipated and unanticipated District expenses.

The following reserves are covered under the policy:

- Capital Replacement Fee Reserve (Water, Sewer, Drainage and Security) fees are collected for the future replacement of existing facilities and major equipment.
- Capital Improvement Fee Reserve provide funds for the orderly and timely expansion of the District's facilities to meet future demand and to maintain and/or improve the District's existing level of service.
- Water Augmentation Fee Reserve provides funds for the orderly and timely expansion of the District's water supply system to meet future demands of the undeveloped lands within the District's existing boundaries during an equivalent 1976-77 drought event.
- Rate Stabilization Fund Reserve (Water, Sewer and Security) offsets revenue shortages due to economic hardships and/or unforeseen major expenses.

### Cash Management Policies and Practices

The District's Investment Policy 2016-01 is a conservative policy guided by three principles of public fund management. In specific order of importance the three principles are:

1. **Safety of Principal**. Investments shall be undertaken in a manner which first seeks to preserve portfolio principal.

- 2. **Liquidity**. Investments shall be made with maturity dates that are compatible with cash flow requirements and which will permit easy and rapid conversion into cash, at all times, without a substantial loss of value.
- 3. **Return on Investment**. Investments shall be undertaken to produce an acceptable rate of return after first consideration for principal and liquidity.

Investments are accounted for in accordance with the provisions of GASB Statement No. 31, which requires governmental entities to report certain investments at fair value in the balance sheet and recognize the corresponding change in fair value of investments in the year in which the change occurred. The District reports its investments at fair value based on quoted market information obtained from fiscal agents or other sources.

#### **MEMORANDUM**

Date: May 9, 2019

To: Board of Directors

From: Tom Hennig, Director of Administration

Subject: Public Hearing - Introduce Ordinance O2019-01, Proposed Services Charge Increases and

Special Tax Adjustments

#### RECOMMENDED ACTION

Introduce Ordinance O2019-01, an Ordinance of the Rancho Murieta Community Services District, amending Chapter 14 of the District Code relating to Water Service Charges; amending Chapter 15 of the District Code relating to Sewer Service Charges; amending Chapter 16 of the District Code relating to Drainage Service Charges; amending Chapter 16A of the District Code relating to Drainage Special Tax; amending Chapter 21 of the District Code relating to Security Special Tax; and amending Chapter 31 of the District Code relating to Solid Waste Collection and Disposal Service Charges, waive the full reading of the Ordinance and continue to the June 19, 2019 Board Meeting for adoption.

#### **BACKGROUND**

The purpose of this rate adjustment hearing is to receive community input on the rate adjustments as well as to receive Board direction addressing adjustments based on community input. To formally adopt new rates, various chapters of the District Code will be changed by adopting the attached Ordinance O2019-01.

#### **Rate Adjustment Overview**

The effect of the proposed rate changes on the average monthly bill for a residential metered lot is 5.41%, or an average increase of \$9.54 per month. Impacts to individual customer bills will vary depending on the monthly amount of water used by each customer. For the District, operational costs are anticipated to increase 5.8%, or \$376,085, for fiscal year 2019-20, versus the prior year's budget. This is largely due to increases in the items listed below:

- Wages and employer costs 6.4%
- Medical premiums 5%
- SMUD electric rates 4.75%
- Solid waste contract rates 4.21%
- Legal expenses related to water rights permit renewal 38%
- Liability and Workers Comp Insurance 32%
- Improvements to District financial systems 15%
- Increases in Dam Inspection fees 20%

The proposed rate increase also includes Capital Replacement Reserve contributions of \$579,559, which is an increase of 1.5%, or \$8,378 over the prior year's budget.

#### **District Maintaining Focus on Cost Efficiency**

The District remains committed to providing superior community services efficiently and professionally at a reasonable cost. The District is working diligently to identify cost savings where possible to reduce the rate increase impact on all residential and non-residential customers.

Revenue estimates for the overall budget are largely driven by water use. For the FY 2019-20 budget, staff recommends the Board approve the budget based on the FY 2018-19 use estimates. This approach has allowed staff to develop this budget with information consistent with historical projections. The effect of the proposed rate changes on the average monthly bill for a <u>residential metered</u> lot is based on the setting of the average monthly water use at 1,426 Cubic Feet which equates to 10,700 gallons per month. The effect of the proposed rate changes on the average monthly bill for a <u>Murieta Village</u> lot is based on the setting the average monthly water use at 418 cubic feet which equates to 3,130 gallons per month. The current year average for residential lots ranges from 2,200 CF for the larger estate lots to 945 cubic feet for the half-plex lots. The average water consumption for Murieta Village lots is 424 cubic feet. Impacts to individual customer bills will vary depending on the monthly amount of water used by each customer. Customers that use more than the monthly average of 1,426 cubic feet will see an increase in their monthly bill; those that use less than the monthly average usage will see a decrease in their monthly bill.

A summary of the proposed rate changes by Service Change and Special Tax area follows on the next page.

#### WATER

The proposed 2019-20 monthly bill increase for an average consumption residential metered lot is projected to be \$5.73 or 8.5%.

	Current Rate	Proposed	
	2018-19	2019-20	
Base Charge (w/o	\$34.52	\$37.97	
reserve contribution)	φ34.02	\$31.87	
Reserve Contribution	\$7.75	\$7.75	
Total Base Charge	\$42.27	\$45.72	
Debt Service Charge	\$8.00	\$6.00	
(repay internal borrowing)	30.00	\$0.00	
Usage Charge (per cf)	\$.0175	\$.0191	
N1			

Non-residential customers are charged one base charge per month per meter plus the reserve contribution times their Water EDU (equivalent dwelling unit) value plus usage

#### SEWER

The proposed 2019-20 monthly bill increase for a residential metered lot is projected to be \$2.36 or 5.0%.

	Current Rate	Proposed
	2018-19	2019-20
Base Charge (w/o	\$40.41	\$42.77
reserve contribution)	\$10.41	942.77
Reserve Contribution	\$6.76	\$8.76
Total Base Charge	\$47.17	\$49.53

Non-residential customers are charged the base charge plus the reserve contribution times their Sewer EDU (equivalent dwelling unit) value

#### DRAINAGE

The proposed 2019-20 monthly bill increase for an average consumption residential metered lot is projected to be \$0.10 or 2.0%.

Developed Property	Current 2018-19	Proposed 2019-20	Max Rate 2019-20	
Residential (per lot)				
Metered	\$5.12	\$5.22	\$5.22	
Unmetered	\$5.12	\$5.22	\$5.22	
The Villas	\$3.42	\$3.49	\$3.49	
Murieta Village	\$3.42	\$3.49	\$3.49	
Non-Residential (per a	acre)			
1 Retail	\$25.591	\$26.103	\$26.103	
2 Industrial/Whse	\$27.188	\$27.732	\$27.732	
3 Light Industrial	\$20.790	\$21.206	\$21.208	
4 Office	\$23.991	\$24.471	\$24.471	
5 Landscape (golf				
course/park sites)	\$4.799	\$4.895	\$4.895	
6 Murieta Equestrian				
Center	\$1.852	\$1.889	\$1.889	
7 RMCC (club				
house and parking)	\$0.000	\$0.000	\$0.000	
8 Airport	\$2.132	\$2.175	\$2.175	
9 Geyer Property	\$15.993	\$16.313	\$16.313

6 Public Utility	\$.0471	\$0.0480	\$0.0480
7 Murieta Equestrian			
Center	\$.0044	\$0.0045	\$0.0045
8 RMCC	\$.0740	\$0.0755	\$0.0755
9 Airport	\$.0188	\$0.0192	\$0.0192
10 Hotel/Ext Stay	\$.0283	\$0.0289	\$0.0289
Undeveloped Property (per acre)			
Inside Gates	\$24.6563	\$25.1494	\$25.1494
Outside Gates	\$3.6742	\$3,7477	\$3,7477

#### SOLID WASTE

The proposed 2019-20 monthly bill increase for a 64 gallon container is projected to be \$0.77 (0.74 for the container and \$0.03 for the Sacramento County Surcharge) or 2.8%. This increase is due to operational cost increases per contract with California Waste Recovery Services and anticipated increases in Sacramento County's landfill surcharges.

	Current Rate	Proposed
	2018-19	2019-20
38 gallon container (T38)	\$18.64	19.40
64 gallon container (T64)	\$20.44	21.19
96 gallon container (T96)	\$30.42	31.52
Extra Cart (38 gallon)	\$8.43	8.62
Extra Cart (64 gallon)	\$10.49	10.67
Extra Cart (96 gallon)	\$22.25	22.55
Extra Recycle Cart	\$6.72	6.89
Extra Yard Waste Cart	\$8.75	6.89
Yard Waste Exemption	(\$2.00)	(2.00)
Sac County Surcharge	\$1.23	1.25

Current Rate 2018-19		Proposed Rate 2019-20	Percent Increase
Security	29.15	29.73	2.00%
Water			
Base Charge	42.27	45.72	
Consumption / cubic foot	0.0175	0.0191	9.10%
WTP Debt Service Charge	6.00	6.00	
Sewer	47.17	49.53	5.00%
Drainage	5.12	5.22	2.00%
Solid Waste			
64-gallon container	20.44	21.19	3.60%
County surcharge	1.23	1.25	1.60%

#### **ORDINANCE NO. 02019-01**

AN ORDINANCE OF THE BOARD OF DIRECTORS OF THE RANCHO MURIETA COMMUNITY SERVICES DISTRICT, AMENDING CHAPTER 14 OF THE DISTRICT CODE, RELATING TO WATER SERVICE CHARGES; AMENDING CHAPTER 15 OF THE DISTRICT CODE RELATING TO SEWER SERVICE CHARGES; AMENDING CHAPTER 16A OF THE DISTRICT CODE RELATING TO DRAINAGE SPECIAL TAX; AMENDING CHAPTER 21 OF THE DISTRICT CODE RELATING TO SECURITY SPECIAL TAX; AND AMENDING CHAPTER 31 OF THE DISTRICT CODE RELATING TO SOLID WASTE COLLECTION AND DISPOSAL SERVICE CHARGES AND LEAF COLLECTION

The Board of Directors of the Rancho Murieta Community Services District ordains as follows:

SECTION 1. Purpose and Authority. The purposes of this ordinance are to (a) increase the District water, sewer and solid waste collection and disposal service charges in order to reflect and provide for operation, maintenance and other cost increases due to inflation, increased regulatory costs, increased costs of supplies, services, labor and benefits, and other factors, and (b) increase the District drainage special tax and security special tax to implement the voter-authorized annual adjustments. This ordinance is adopted pursuant to California Constitution articles XIII C, section 2, and XIII D, section 6, Government Code sections 61115, 61121 and 61123, District Ordinances Nos. 98-1 and 98-2, and other applicable law.

#### SECTION 2. Findings. The Board of Directors finds and determines as follows:

- (a) As calculated and demonstrated in the FY 2019-20 District budget, the increased service charges implemented by this ordinance have been fixed in amounts sufficient to pay the operating expenses of the District's water, sewer and solid waste operations, provide for and fund repairs and replacement of utility system works and equipment, provide for increased costs of regulatory compliance, fund financial reserves, and pay debt service and other costs.
- (b) The increased service charges are reasonably related to, and do not exceed, the District's cost of providing each of the services.
- (c) The revenues derived from the service charges do not exceed the funds required to provide the services and will not be used for any purpose other than the listed services.
- (d) The amount of the service charges imposed on each customer's parcel does not exceed the proportional cost of the particular service attributable to that parcel.
- (e) The District water, sewer and solid waste services are services that are actually used by and immediately available to the owner of each customer parcel.
- (f) No portion of these service charge increases are imposed for general governmental services.
- (g) As calculated and demonstrated in the FY 2019-20 District budget, the increased drainage and security special taxes implemented by this ordinance have been fixed in amounts as calculated and determined consistent with the annual tax adjustments as set forth in District Code chapters 16A and 21 and as authorized by the voters at the time of the approval of the special taxes.

- (h) The establishment, modification, structuring, restructuring and approval of the service charges and taxes as set forth in this ordinance are necessary and appropriate to continue to meet the District's costs for operation and maintenance, supplies and equipment, financial reserves, and capital replacement needs, and to maintain a satisfactory level of services within the District service area.
- (i) The District Board of Directors has conducted a duly noticed public hearing on the proposed service charge increases in accordance with California Constitution article XIII D, section 6, and the Board did not receive a majority protest against any of the proposed service charge increases.

### SECTION 3. Service Charge and Tax Adjustments; District Code Amendments

- The Water Code, <u>Chapter 14, Section 7.00 Rates and Charges</u> is amended as follows: Section 7.05 <u>Rates for Metered Service</u>.
  - (a) General metered service shall be as follows:

**MONTHLY CHARGES** 

Base Charge \$ 37.97
Reserve Charge \$ 7.75
Total Basic Service Charge \$ 45.72/mo

Usage charge per cubic foot:

Basic volumetric rate per cubic foot \$ 0.0191/cu. ft.

(b) Metered service to residential lots at Murieta Village shall be as follows:

MONTHLY CHARGES

Base Charge \$ 37.97
Reserve Charge \$ 7.75
Total Basic Service Charge \$ 45.72/mo

Usage charge per cubic foot:

Basic volumetric rate per cubic foot \$ 0.0191/cu. ft.

(c) Non-Residential metered service shall be as follows:

MONTHLY CHARGES

Basic Service Charge for non-residential shall be calculated on an EDU basis

#### **Monthly Charges**

Basic Service Charge for non-residential metered service shall be calculated on number of meters and an EDU basis for each customer multiplied by the Basic Service Charge reflected in Section 7.05(a) above.

Usage charge per cubic foot:

Basic volumetric rate per cubic foot \$ 0.0191/cu. ft.

II) The Sewer Code, Chapter 15, Section 7.00 Rates and Charges is amended as follows:

Section 7.03 <u>Rates and Charges for Service</u>. The monthly service charge for each premise receiving sewer service from the District shall be:

### Residential or other premises, each unit

Base rate	\$ 42.77 per month
Reserve contribution	\$ 6.76 per month
Total monthly service charge	\$ 49.53 per month

### Murieta Village, per unit

Base rate	\$ 42.77 per month
Reserve contribution	\$ 6.76 per month
Total monthly service charge	\$ 49.53 per month

#### Non-Residential

Monthly service charge for non-residential sewer service shall be calculated on an EDU basis for each customer multiplied by the residential service charge.

### III) The Drainage Code, Chapter 16, Section 7.00 Rates and Charges is amended as follows:

<u>Section 7.01 Rates and Charges</u>: Drainage charges for operation and maintenance of the District's system shall be as set forth in Chapter 16A, Section 3.00.

The Drainage Code, <u>Chapter 16A</u>, <u>Section 3.00 Drainage Tax</u>, is amended as follows: Section 3.00 <u>Rates and Charges for Operation and Maintenance</u> of the District's system shall be: Commencing July 1, 2018, property within the District shall be assessed a monthly drainage tax as follows. The maximum monthly tax rates shown reflect annual adjustments, per Section 5.00.

		Monthly	Monthly Special
		Special Tax	Tax Rates Maximum
		Rates Fiscal	Ceiling Rate

- Outside Gates	Per Acre	\$ 3.7477	3.7477

V) The Solid Waste Collection and Disposal Code, <u>Chapter 31, Section 4.0 Collection Rates</u>, is amended as follows:

Section 4.03 Collections Rates. The monthly service charge shall be:

(1) Garbage Collection Services	
38-gallon cart	\$ 19.40
64-gallon cart	\$ 21.19
96-gallon cart	\$ 31.52
(2) Additional Garbage Carts	
38-gallon cart	\$ 8.62
64-gallon cart	\$ 10.67
96-gallon cart	\$ 22.55

(3) Additional Recycling Cart (in excess of 1 recycled cart)

38-gallon cart N/A 64-gallon cart \$ 6.89 96-gallon cart \$ 6.89

(4) Additional Green Waste Cart (in excess of 2 green waste carts)

38-gallon cart N/A 64-gallon cart \$ 6.89 96-gallon cart \$ 6.89

(5) Sacramento County Surcharge

\$ 1.25

SECTION 4. Superseder. This ordinance supersedes prior inconsistent District ordinances, resolutions, policies, rules, and regulations concerning the subject matter of this ordinance.

SECTION 5. Effective Date. This ordinance shall take effect 30 days after its adoption.

SECTION 6. Severability. If any section or provision of this ordinance or the application of it to any person, transaction or circumstance is held invalid or unenforceable, such invalidity or unenforceability shall not affect the other provisions of this ordinance that can be given effect without the invalid or unenforceable provision, and to this end the provisions of this ordinance are declared to be severable.

SECTION 7. Publication. The District Secretary is directed to publish this ordinance once in a newspaper of general circulation published in the District within 15 days after the adoption of the ordinance.

**INTRODUCED** by the Board of Directors on the 15<sup>th</sup> day of May 2019.

**PASSED AND ADOPTED** by the Board of Directors of the Rancho Murieta Community Services District, Sacramento County, California, at a meeting held on the 19<sup>th</sup> day of June 2019, by the following roll call vote:

AYES:

Clark, Jenco, Butler, Maybee, Merchant

NOES:

none None

ABSENT: ABSTAIN:

None

Les Clark, President of the Board

Rancho Murieta Community Services District

[seal]

ATTEST:

Suzanne Lindenfeld, District Secretary

#### PROJECT TITLE: BOBCAT COMPACT TRACTOR LOADER - REPLACEMENT FUND

**CAPITAL PLAN** Water / Waste Water – Replacement Reserves

**CIP #** 08-07-1

**PROJECT BASIS:** Replace 1993 Bobcat Loader with a newer model

**DESCRIPTION:** Replacement of the 1993 loader will provide staff with the

proper tool to load materials for service work throughout the District and for servicing the Water & Wastewater plant drying beds sludge handling process. Having the tractor available at the Wastewater plant materials

storage bins will eliminate excessive time and wear & tear on the Districts backhoe needing to drive to and from

projects to load materials.

**REGULATORY ISSUES:** Under California DOORS program it would need to be

replaced if we didn't have a backhoe already.

**RISK ASSESSMENT:** Low. Hydrostatic brake is confusing to some staff vs

traditional brake. New equipment would have traditional

braking system.

PROJECT BUDGET: \$65,000

**BASIS OF COST EST:** Based on review of the market for used Bobcat Compact

Tractor Loaders.

#### PROJECT TITLE: CANTOVA GENERATOR REPLACEMENT- REPLACEMENT FUND

**CAPITAL PLAN** Sewer Replacement Reserves

**CIP #** 18-01-2

**PROJECT BASIS:** Replace 116 hp diesel fired generator with a liquid

propane fired generator

**DESCRIPTION:** Provided District with reliable and supportable equipment

for long term use, especially in light of increasing sewer flows from the Murieta Gardens project. System would be automated vs existing one which requires manual startup

and transfer of power.

**REGULATORY ISSUES:** Meet current and future demands, as well as Air Quality

Management District standards.

**RISK ASSESSMENT:** Providing emergency backup power for the Cantova sewer

pumping station.

PROJECT BUDGET: \$35,000

**BASIS OF COST EST:** Based on budgetary quote provided from Cummins Pacific

and estimate for electrical tie-in.

#### PROJECT TITLE: WWRP CHLORINE GAS TO BLEACH CONVERSION - IMPROVEMENT FUND

Ton cylinders of chlorine gas

**CAPITAL PLAN** Sewer Improvement Reserves

**CIP #** 18-07-2

**PROJECT BASIS:** System Conversion

**DESCRIPTION:** Eliminate the use of chlorine gas at the Wastewater Plant

for recycled water disinfection and convert to using industrial strength sodium hypochlorite (bleach) for pf

staff and community.

**REGULATORY ISSUES:** Safer product for staff; Substantially less regulatory

oversight and required staff training; Mitigates risk to community from transport, storage and use of chlorine

gas.

**RISK ASSESSMENT:** Provides a safer alternative for the neighboring

community vs the potential of a catastrophic chlorine gas

leak.

PROJECT BUDGET: \$266,140

**BASIS OF COST EST:** Cost estimates based on removal of gas feed system,

procurement and installation of chemical feed skids for bleach injection; engineering for design, plans, bid packet, submittal review and as-builts; contractor procurement of tanks, building tank pads, and installing piping and feed

equipment appurtenances.

#### PROJECT TITLE: RIO OSO BOOSTER PUMP REPLACEMENT - REPLACEMENT FUND

CAPITAL PLAN Water

**CIP #** 18-12-1

**PROJECT BASIS:** Short description

**DESCRIPTION:** Replacement of an obsolete system

**REGULATORY ISSUES:** Provides District and its customers reliable water supply

pressure and electrical cost savings in perpetuity of system operation. Estimate of operation of distribution system and jockey pump would lower annual operating costs at of

\$3,400/year based on current power costs.

RISK ASSESSMENT: Having system retrofitted on our time vs during a potential

failure would eliminate excessive potential downtime from research, procurement, and installation for an obsolete system, as well as to avoid the repercussions from the

downtime.

PROJECT BUDGET: \$50,000

**BASIS OF COST EST:** Based on vendor's budgetary estimate.

#### PROJECT TITLE: CALERO SUBDRAIN PANEL REPLACEMENT- REPLACEMENT FUND

CAPITAL PLAN Water

**CIP #** 20-01-1

**PROJECT BASIS:** Panel Replacement (3 total)

**DESCRIPTION:** Replace 3 electrical panels and equipment that were

installed in 1979 to provide reliable operations.

**REGULATORY ISSUES:** Provides necessary equipment for reliable operations of

equipment utilized to dewater the base of the Calero Main

and East dams.

**RISK ASSESSMENT:** Provides District loss of downtime of infrastructure by

being able to replace equipment on its scheduled time vs

emergency response.

**PROJECT BUDGET:** \$25,000

**BASIS OF COST EST:** Develop scope of work and solicit bids from various area

electrical companies for panel replacements.

#### **PROJECT TITLE: REPLACE TRUCK 217**

**CAPITAL PLAN** Water Replacement Reserves

**CIP #** 20-02-1

**PROJECT BASIS:** Replace #217 F-150 with half ton or smaller truck for Field

**Operations staff** 

**DESCRIPTION:** Obtain a replacement truck for one of the oldest and

highest maintenance cost vehicles in Field Operations fleet, #217 F-150 purchased in 1997 with a current

mileage of 131,047.

**REGULATORY ISSUES:** Provides necessary equipment for staff to complete

duties.

**RISK ASSESSMENT:** Provides a safe and properly working vehicle for staff, as

well as avoiding more time for maintenance and

administration of repeated vehicle repairs.

**PROJECT BUDGET:** \$25,000

**BASIS OF COST EST:** Solicited bids from various area dealerships.

#### PROJECT TITLE: REPOWER SEWER JETTER - REPLACEMENT FUND

**CAPITAL PLAN** Sewer Replacement Reserves

**CIP #** 20-03-2

**PROJECT BASIS:** Replace motor with one that meets current and future

Air Resources Control Board Standards

**DESCRIPTION:** Replace existing 50.9 HP Deutz diesel engine with one

that meets California air standards and enough power to run the existing sewer jetter. Allows District to run necessary equipment for staff to complete cleaning and emergency blockages in the sewer collection system.

**REGULATORY ISSUES:** Due to diesel fired motor being over 50 hp this

equipment is currently limited to operate only 80 hours

per year.

**RISK ASSESSMENT:** Prevents District from possible fines.

PROJECT BUDGET: \$25,000

**BASIS OF COST EST:** Estimate based on verbal quote from US Jetting.

# PROJECT TITLE: WATER RIGHT TO CAPTURE STORMWATER AT WWRP - IMPROVEMENT FUND

**CAPITAL PLAN** Water Augmentation

**CIP** # 20-04-1

**PROJECT BASIS:** Obtain water right to capture stormwater

**DESCRIPTION:** Obtain a water right to collect to storage up to 200 acre-

feet per year of rainfall. This would allow the District greater flexibility of potable water offset by having more

water available through its recycled water system.

**REGULATORY ISSUES:** Would provide another source of water to supplement use

through the recycled water system, offsetting potable

water use.

**RISK ASSESSMENT:** Provides a security of water capture to storage in times

where water may not always be readily available.

PROJECT BUDGET: \$30,000

**BASIS OF COST EST:** Estimate based on feedback from Water Rights attorney to

accomplish the filing with the Division of Water Rights, as well as staff estimate for minor modifications to drainage

ditch and pumping system.

# PROJECT TITLE: WATER TREATMENT PLANT #1 EFFLUENT PUMP REHABILITATIONS - REPLACEMENT FUND

CAPITAL PLAN Water Replacement Reserves

**CIP** # 20-05-1

**PROJECT BASIS:** Rehabilitate pumps to original specifications (3 total)

**DESCRIPTION:** Restore rusting pump columns, impellers, bolts, etc., to

original operating condition to extend life of pumps prior

to needing replacement.

**REGULATORY ISSUES:** Provides continued viability of District pumping

infrastructure at Plant 1 on District's scheduled time.

**RISK ASSESSMENT:** Avoidance of possible emergency downtime of pumps in a

period in which they would be needed. Pumps operate in a high chlorine residual environment which subjects them

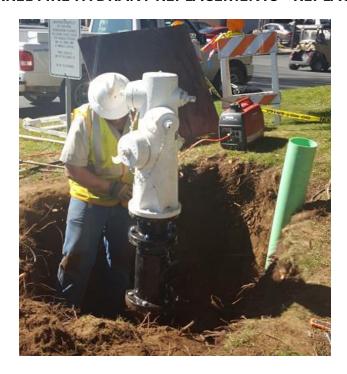

to highly corrosive conditions.

PROJECT BUDGET: \$65,000

**BASIS OF COST EST:** Costs were estimated based on previous comparable

repair costs plus 5%.

#### PROJECT TITLE: DRY BARREL FIRE HYDRANT REPLACEMENTS - REPLACEMENT FUND

**CAPITAL PLAN** Water Replacement Reserves

**CIP #** 20-06-1

**PROJECT BASIS:** Replacement of dry barrel fire hydrants (10 total)

**DESCRIPTION:** Replace failing wet barrel fire hydrants that are at the

end of their useful life with fire hydrants that meet District and AWWA design standards for potable water

systems.

**REGULATORY ISSUES:** Allows District to conduct this needed replacement

work on its own scheduled time vs unanticipated

failures.

**RISK ASSESSMENT:** Provides reliable water supply system for fire

suppression.

PROJECT BUDGET: \$90,000

BASIS OF COST EST: Hydrant and material costs from supplier. Staff labor

not included.

#### PROJECT TITLE: HOLE 14 CULVERT REPLACEMENT - REPLACEMENT FUND

**CAPITAL PLAN** Drainage Replacement Reserves

**CIP #** 20-07-2

**PROJECT BASIS:** Replace North Course Hole 14 Culvert

**DESCRIPTION:** Replace failing corrugated metal drainage culvert pipe

running under Hole 14 North with high density

polyethylene pipe during a time when drainage flows

are low.

**REGULATORY ISSUES:** Replace with in-kind capacity. No need to replace with a

larger capacity culvert as it is a fill/spill culvert across

the golf course.

**RISK ASSESSMENT:** Coordination with Rancho Murieta Country Club needs

to occur to minimize impacts to them when replacing

the culvert.

**PROJECT BUDGET:** \$32,000

**BASIS OF COST EST:** Material costs and estimates of contractor labor at

prevailing wage.
