INCIDENTS OF NOTE
July 1-31, 2022

On July 24th, 2022 at approximately 00:15 hours, Vandalism/Reckless Driving.

CSD security responded to several reports of a truck driving recklessly in the South. Several neighbors were awakened by the loud squealing wheels. CSD gate officer observed a white truck had left via the south gate and then immediately wanted to re-enter via the south gate, shortly after receiving the numerous calls of a reckless vehicle. CSD Gate Officer refused to let the vehicle into the community and formed the opinion the truck with the three males was involved in the original calls for service and they were possibly under the influence of alcohol.

The driver put his vehicle in reverse hit a sign and drove over the grass median area and fled W/B on Jackson. The truck fled to a resident's house in the Garden Community. CSD Security officer was on scene and witnessed (3) males exit the vehicle and hop a fence into the backyard. CSD security officer asked one of the males what they were doing, and he stated they lived there.

CSD Security monitored the area for several minutes and noticed that one of the males had removed the license plate from the vehicle they parked. SSD and CHP refused to respond since all parties were GOA.

On July 26th, CSD staff conducted a follow-up investigation and identified all parties involved. The male driver who does not live in RM was a guest of a Retreat resident. The other passenger lived in South RM. All were over 18 Years Old. The owners of the Retreat resident and their son who allowed the driver to enter came to CSD for an interview. During the interview with CSD staff, their son admitted that his friend drove recklessly and damaged RMA's grass and sign. The son denied that any party was under the influence, and they fled to their friend's house in the gardens because they believed CSD were police who would arrest them. The son stated his friend would be more than happy to pay for any damages.
