INCIDENTS OF NOTE JULY 1-31, 2021

July 4, 2021: DUI Arrest – De La Cruz and Bridgehouse Rd

At 2245 hours, a golf cart accident with injuries was reported to Security. Patrol responded and located the driver of the golf cart and a toddler child. The driver of the golf cart collided with a parked vehicle, causing minor damage. Minor injuries were reported. CHP responded and conducted a DUI investigation. The female driver was arrested for suspicion of DUI.

July 8, 2021: Trespassing – 7161 Murieta Parkway

At 2056 hours, a local rancher approached the North Gate and was acting erratically. He was identified as the same subject who has previously been given a Trespass admonishment. The Gate Officer detected an odor of alcoholic beverage emitting from his person. CHP was called and upon arrival, the subject fled from CHP and returned back to his ranch. He was not arrested at that time. The subject was arrested on July 13, 2021 for outstanding warrants.

July 14, 2021: UPDATE Hit & Run / Fire hydrant collision

The District Water Department received an alarm at the WTP for low tank levels. Water Department personnel discovered that a fire hydrant on the utility access road had been struck and water was being drained from the WTP. A Ford Fusion was identified as the possible responsible vehicle involved in the collision, as determined by the vehicle debris/evidence left at the scene.

On July 8, 2021, we issued another Informational Bulletin with a posted reward of \$1000 for information leading to the identification of the responsible party. An anonymous caller advised of a subject who admitted to friends that he was responsible for the accident. On July 14, 2021, CHP responded for the investigation and the suspect was contacted. He admitted to the accident and the vehicle was inspected/confirmed. The driver was cited by CHP. The information was provided to GSRMA for damage recovery.

July 19, 2021: Hit & Run / CSD Vehicle – 7123 Murieta Drive (The Plaza)

Patrol responded to a suspicious persons call at the Plaza, behind GoFore Pizza. When Patrol approached the subjects, they fled in their vehicles and one of the vehicles collided with the CSD patrol vehicle. The subjects fled the scene. The subjects were identified through Body Worn Camera footage. It appears the subjects may also be responsible for vandalisms in the area. CHP responded for the investigation.

July 31, 2021: Hot Air Balloon Landing – Calero Reservoir

Residents reported a hot air balloon landing at Calero Reservoir, and the occupants possibly jumping in the water. Patrol responded and found no evidence of the occupants being wet or the hot air balloon being wet. Occupants advised of private property.

Patrol Coverage:

Patrol experienced no coverage for several days during the month of July due to lack of coverage from the prior contract security company. We are currently training the new security company personnel; ABA Protection Inc. Coverage was unavailable from 0300 to 0700 hours on several occasions.
