The driver was a female, approximately 60 to 70 yrs. old. The suspect's vehicle was at a complete stop when I approached her, I asked her right away if she's ok but I didn't got an answer. Her only reply was she's trying to get home, I was about to ask her if she could turn off the engine for a while and talk to me, but she started getting agitated at some of the witnesses surrounding her. And she started backing up her vehicle back and forth trying to get out of the LAGO inbound, some of the witnesses asked me to stop her and grab the keys out of the ignition. I told them I would not do that in fear of getting run over by the vehicle. When the suspect finally got out of the LAGO inbound she made a left on the light heading southbound on Jackson Highway.
