## CANDIDATES' NIGHT

Seven (7) candidates are running for three (3) full-term Director positions on the Rancho Murieta Community Services District's Board of Directors. The candidates, Ron Amarante, Linda Butler, Morrison Graf, Randy Jenco, Tim Maybee, Gerald Pasek, and Martin Pohll, will express their views and respond to questions at the District's Candidates Night on Thursday, October 11, 2018 at 6:30 p.m. in the District Board Room. If you plan to attend please arrive early as there is limited seating space.

## ADJUST SPRINKLERS

The cooler evenings and mornings are a reminder that it is time to make adjustments for the fall season. An important adjustment to make is to your outdoor watering schedule. Lawns and landscapes need less water with the cooler temperatures. Fall outdoor water adjustments should include the following:

- Adjust irrigation timers to gradually reduce outdoor watering frequency – reset your timers to water two (2) days or less per week.
- When manually watering, do not water more than two (2) days per week. Use a timer to help you remember when to turn off the water.
- Be sure to turn off irrigation system when it is raining.

**Stop by for a free screwdriver to help with your adjustments.**

## WASTEFUL USES OF WATER

- Water flowing away from a property caused by excessive application(s) of water.
- Hosing down hardscape such as sidewalks or driveways.
- Allowing water fixtures or heating and cooling devices to leak or discharge water.
- Maintaining or discharging from ponds, waterways, decorative basins or swimming pools without water recirculation devices or with known leaks, both seen and unseen.
- Continued operation of an irrigation system that applies water to an impervious surface or area that is in disrepair.
- Use of a water hose not equipped with a control nozzle capable of completely shutting off the flow of water.
- Irrigation of lawns or landscaping when it is raining.
- Irrigating lawns or landscaping outside the hours of 12:00 a.m. and 10:00 a.m.

**HOW TO PAY MY BILL**

**Payment Drop Boxes**

Several District payment boxes are located in Rancho Murieta. Rancho Murieta Association parking lot, Village Club House and the District Administration building. These boxes are checked daily for payments.

**E-Bill Service**

If you are interested in reducing paper and receiving your billing statements by email, the District has this service available. On your current billing statement, you can register for e-bill or visit our website to enroll and begin receiving your statements by email. For each billing statement that is sent by email rather than U.S. Postal Services, the District saves approximately \$0.70 per month. This savings includes the cost of the paper statement, printing, envelopes, and postage.

**Online Bill Payment Service**

The District has partnered with **Paymentus**, an online credit/debit card and e-check payment service provider, who will process your payment on our behalf. A convenience fee of \$4.50 for any payment up to \$300.00 will apply. Go to: [www.rmcsd.com](http://www.rmcsd.com).

Payments can only be accepted up to \$300.00 per transaction. Therefore, if your payment is larger than \$300.00, you will need to make more than one (1) transaction and you will be charged a \$4.50 convenience fee for each transaction. (You will have the option of canceling your transaction after seeing or hearing the exact convenience fee amount.) The fee is collected and retained by our online payment service provider. The District does not receive any proceeds from the convenience fee.

You may use this service to make a partial payment on your bill, but you will be charged a separate fee each time.

**Electronic Funds Transfer (EFT)**

When you enroll in the EFT program, a withdrawal will be made from your bank account on the 15<sup>th</sup> of each month (or the next business day) for the amount owing on your account. (There is no fee for this service)

**Pay by Phone**

Dial 1-855-288-7460. Follow the payment instructions. Convenience fee applies.

**SCHOOL BUS REMINDER**

When the **school bus stops** and the flashing **RED** lights come on, vehicles must stop and wait behind the bus or facing the bus if the roadway is not divided. Bus drivers are very cautious in seeing that their riders are out of harm's way before moving on.

**A few extra seconds to be cautious is time well spent!**
