INCIDENTS OF NOTE

June 1 - 30th

On June 6th 2022 at approximately 10:30 hours, Hate Incident Graffiti- Gazebo area parking lot, Northgate area.

CSD security responded to a vandalism call at the Gazebo area located next to the Northgate. Upon arrival, CSD staff observed several swastikas and a drawing of male genitalia along with the statement "Heil Hitler" located on the driveway adjacent to the playground area. SSD and RMA were immediately advised to respond to the location.

Two male juveniles (6th grade) were playing in the area and came over and asked about CSD investigation. Both juveniles stated that they knew the graffiti was wrong but didn't know exactly why. Both juveniles resumed playing in the area. CSD officer proceeded to the Northgate and met with RMA Compliance Officer (CO) who located the video surveillance footage of the incident.

The Juveniles walked over to the Northgate unsolicited and stated they might know who did the vandalism. CSD staff asked to them watch the video before making any statements. Juvenile-1 stated that his older brother was in the video along with several of his brother's friends. The parents were contacted, and all parties were identified and turned over to SSD and RMA for ongoing vandalism investigations. (Parents met with CSD staff over the incident and received an apology letter from the juveniles involved).

On June 7, 2022, at approximately 1830 hours, Intoxicated person in Lake Calero

CSD personnel was on routine patrol when they discovered a male fully clothed swimming in Lake Calero. CSD Personnel contacted the male and ordered him out of the lake. The male complied and was advised of the swimming rules. The male stated the trees were talking to him and that he felt that he was on fire, and again ran into the lake. The male stayed in the lake for approximately 30 minutes about 20 yards away from the shore, until he was convinced to exit the lake by CSD staff. Upon his exit, CSD security took custody of the male and detained him due to his intoxication and fear of drowning. SSD eventually arrived on the scene and took custody of the resident.
